From the Teachers.....

Hi Everyone,

We hope you had a great holiday and are ready for the fourth and final term of the year... which of course is a very busy one.

This week we have had to make do without the internet; which means most computers did not work, the printer and the pool filter has also broken (a new part has been sent out). So the children have been very patient and understanding.

On a brighter note, a visiting art teacher spent the first 2 days of term instructing the students on the many ways to design and create portraits. The students greatly enjoyed the two days and the teacher was very impressed with their artistic talents and behaviour.

Order forms for the school photos were sent home on Tuesday, they will be taken on Monday the 19th of October (Week 3). Order forms and money need to be back by that day.

Canteen on Tuesday for this term will be a choice of sandwiches and poppers, morning tea will remain the same.

Our student of the week is Jahqualyn Kelly. He receives this award for his excellent behaviour and the way he has settled back into the school. Well done Jahqualyn!

Regards
Enngonia Teachers
