Opportunities For All

Enngonia Public School Newsletter

23rd October 2015

From the Principal.....

Hi everyone,

Another week has flown by!

This week we were visited by Alison King in the pre-school. Thank you for all her support and great ideas to improve our pre-school.

We also have a landscape designer visiting in November for our new pre-school playground. If you have any ideas on what you would like to see in the new playground please let us know!

We also had our school photos taken on Monday. Money for the photos was due today. If you have not paid unfortunately no photos will be ordered for your children.

Next week we have a speech pathologist visiting on Tuesday to work with some students.

My Student of the Week this week is Kyeran Smith. Kyeran receives this award for his excellent and positive attitude towards all aspects of school. Well Done Kyeran!

Regards,

Melissa Harrison

Preschool

There have been lots of ladybugs on our spinach and we have loved catching them. We have made houses for them. Talked about them and looked at their anatomy in more detail. We got the microscopes out to explore as well.

We have really enjoyed doing puzzles this week.

We have also experimented with domino lines. We had to be very careful when we lined the dominoes up so we did not knock the dominoes down before we were ready.

We have been very creative and used the mobile to make aeroplanes. We then flew them around the preschool.

Transition

Jamie from Centacare came out this week and did some school readiness activities with the pre-schoolers that are going to school next year. They had lots of fun!

Lizard

We had a visit by a bearded dragon. We all got to look and touch it before we let it free.
