From the Teachers.....
Hi everyone,
We have had a great week at school.

This week we have been working hard on our posters for Italy and learning about different places in Italy.

Thank you to Sally Muenster who has been filling in this week.

Next week we will be travelling to Cunnamulla on Monday for our reward day. If your permission notes have not yet been returned please make sure they are brought on Monday morning. We will be leaving school at 8am.

Pete and Grace Pagett will be participating in the Horse Sports Day in Bourke on Monday. We hope they have a great day.

Pam Sharkey will be visiting on Tuesday morning to observe the L3 literacy lessons. Fiona and Melissa will be attending an L3 training workshop in Bourke on Wednesday.

Just a reminder about attendance. Everyday counts so please send your children to school. Also, please check your child/ren’s hair for headllice. They have been found in some students hair.

Our Student of the Week this week is Wayne Kelly. He receives this for an excellent effort and great progress in Maths. Well done Wayne!

Regards,
Fiona Secomb & Heather Stone

**Preschool**

This week we have enjoyed making bracelets, necklaces and rings. We had to concentrate really hard to thread the beads. We talked about the colours and shapes of the beads. Alex even painted a picture of himself wearing his necklace.

We have also loved playing with and exploring the guitar. Everyone had a turn playing it and singing. Amber painted a picture of a guitar.

Playing with the playdough is lots of fun. Nick came for a visit and he loved playing with the playdough.

We were very interested in eggs this week. We used the pretend eggs with the playdough. We pretended to cook them and make egg sandwiches. We talked about different ways to cook eggs, eg fried, boiled, scrambled and in omelettes. We boiled some real eggs, peeled them and then ate them.

**Special Fruit/Vegetable**

This week our special fruit/vegetable was carrots. We described them as orange, hard and crunchy. We also saw that they were grown in the ground.

**Footy4Fun**

This week we had a visit from the footy4fun people. We got the pracitce throwing, kicking, tackling and scoring tries. It was good fun.
