From the Principal.....

Hi everyone,

Last Thursday students competed at the District Athletics. Well done to all the students. Regionals will be held in Dubbo next week.

This week we had our fun run. Students have been raising money through sponsorship for the run. Students ran the 2km cross country track. Well done to everyone for their participation.

Next week on Monday we are having our first visit from our early years co coordinator she will be working with the pre-school students starting school next year. She will be here from 1:30-3 if any parents would like to speak to her Jamie is happy to talk to you as well.

Also next week on Tuesday we are participating in a Backyard footy day in Bourke. The permission note is attached to the newsletter.

Just another reminder about the Canberra excursion. The cost is $100 per student and needs to be paid as soon possible. Payments can be made by direct deposit or cash. All money MUST be paid by 31st August.

The updated supervision, attendance and excursion polices have been sent home. If anyone would like to make suggestions towards these please let me know, otherwise they will become effective as of next week.

My Student of the Week this week is Samuel Stone. Sam receives this award for his continued helpful attitude towards any task or job. Well Done Sam!

Regards,

Melissa Harrison

Preschool

We are really into our open ended craft activities where we can use our imagination and create what we want. Amber created dog beds for her toys at home. Jazminn made boats on her page. Ben made a puppet theatre. Alex made a shower which we hung up and took turns showering under it.

As the weather is getting warmer we have also really enjoyed playing outside. We took out the playdough, the dolls and prams, as well as the bikes and outdoor toys.

We always love playing with our magnetic tiles, we can make so many different things with them.

Special Fruit/Vegetable

Broccoli

We all tried broccoli this week. We ate it raw and cooked. We learnt about how it grows above the ground and looked at some pictures of it growing.

Our Dinosaur eggs are hatching

Our dinosaurs are slowly hatching out of their eggs. We love watching and talking about their progress.

Boxes

As we have been doing so much craft we are running low on boxes and other recycled materials. If you have any clean containers/boxes we would love for you to bring them in for us to use.
