Opportunities For All

Enngonia Public School Newsletter
12th February 2016

From the Principal.....
Hi everyone,

Welcome back to 2016! It is great to see all the students so excited to be back at school. A big welcome to our six new Kindergarten students as well!

This week on Thursday we had our small schools swimming carnival. Well done to all the students on their behaviour and effort. A big congratulations to our age champions Wayne Kelly and Sam Stone, and our runner-up age champion Raeleah Smith!

Next week on Friday is District swimming. Notes will be sent home next week for those students who are eligible.

If any parents would like their students to sit the ICAS exams please let the school know.

Just a reminder to please label everything that comes to school, including undies. It makes it a lot easier to identify students belongings. Also, if food is being brought up for lunch that needs to be eaten hot, please bring it to school hot and we will keep it warm.

My Student of the Week this week is Tiffany Smith. Tiffany receives this award for her leadership skills and assistance with our new pre-schoolers and Kindergarten students. Well done Tiffany!

Regards,
Melissa Harrison

Preschool

Welcome back everyone 😊. It was great to see so many back this week and have so many extra visitors.

We have been practising our fine motor skills. We used the tweezers to pick up different coloured beads, it’s tricky but we did it.

We love moving about. We did the crab walk and lots of dancing and singing this week.

We have also enjoyed making collages. We cut things out and stuck them onto paper to make our amazing creations.

Anaphylaxis

We have a child attending the preschool that has a severe allergic reaction to peanuts and macadamia nuts. Please try not to send your children with foods containing these nuts.

If the child eats or touches someone who has touched these nuts he will have a severe allergic reaction to it.

Swimming

We will continue to swim throughout this term. Please pack swimmers and towel.

Colours

We are working on identifying our colours. Whenever we play with anything coloured we name the colour and try to match it to something that is the same colour.
Welcome Kindergarten!
