From the Principal…..

Hi everyone,

We had had a lovely week at school. This week we have continued to learn about electricity and even made videos on the Ipads about our experiments!

Well done to our students last week who competed in the district swimming carnival! Congratulations to our relay team who placed 1st in the P6 race.

Next week all teaching staff will begin new training in literacy and maths. Miss Secomb and myself will be away Wednesday and Heather and Linda will be away Thursday.

Also next week our 5/6 students will be attending a VC with other 5/6 students in our district to help develop their leadership skills.

Just a reminder if any of your children have sores please make sure they are covered. Also please make sure that students bring swimmers to school each day.

There is also no school on Monday due to Mid-Term break.

Our Student of the Week this week is Holly Azzopardi. Holly receives this award for her ability to work on tasks independently. Well done Holly!

Regards,

Melissa Harrison

Student of the Week

Holly Azzopardi
