From the Principal.....
Hi everyone,

This week the staff have been attending lots of training in both literacy and numeracy. We are very excited to use what we have learnt.

Next week permission notes and packing notes will be sent home for students in Years 5/6 who are attending the Young Leaders camp. On Thursday they had their first VC to meet the other students and find out what they are learning about.

If you would like homework for your child/ren please let the school know. We will begin to send homework home in the next few weeks.

In the next week work will also begin to renovate the toilet block. The work will take approximately 2 weeks to complete.

Just a reminder that students need to bring swimmers to school every day.

My Student of the Week this week is Tye Gillon. Tye receives this award for his great writing and thoughtful sentences. Well done Tye!

Regards,

Melissa Harrison

**Preschool**

We have been very busy exploring colours. We had lots of fun playing with shaving cream and mixing colours to create other colours, eg did you know red and yellow makes orange?

We made rockets with the crazy fort building materials. We flew to the moon in the rocket and then pretended to walk/jump on the moon. We then watched rockets taking off on youtube, we helped with the count down.

We are very imaginative. Jimmy, Jarrel and Edan used the wooden blocks to pretend to ride skateboards and Arabella pretended to ride a surfboard.

**Reading**

The children love being read to. Please try to read to your children as often as possible. Read books, signs, food packaging etc.

**Puzzles**

We love doing puzzles. We are learning to look at the pictures on the puzzles to match the pieces together.

**Drawing on the smart board**

Drawing on the smart board helps the children with both their fine and gross motor skills.

We love doing art and craft.
